And PE Uniforms for sale!
¡Y uniformes de PE a la venta!

Longfellow Back to school night is
September 1st from 6:00 pm-8:15 pm.
Join us to meet the new administrative team,
counselors, PTA, and each of your child’s teachers.
Your participation is essential to understanding the
expectations for the year, building relationships with
teachers, and supporting your child.
PE uniforms will also be on sale by the PTA from 5:30-
6pm and 8:15-8:45pm.
We look forward to seeing you there!

Longfellow La noche de regreso al cole es
1 de septiembre de 6:00 pm-8:15 pm.
Únase a nosotros para conocer al nuevo equipo
administrativo, consejeros, PTA y cada uno de los
maestros de su hijo. Su participación es esencial para
comprender las expectativas para el año, construir
relaciones con los maestros y apoyar a su hijo.
Los uniformes de PE también estarán a la venta por la
PTA de 5:30 a 6 p.m. y de 8:15 a 8:45 p.m. ¡Esperamos
verte allí!

Longfellow Tryouts and Practices!

The Music Connection at UC Berkeley is a student-run volunteer organization that aims to provide free one-on-one music tutoring in collaboration with the Berkeley Unified School District.

The Music Connection en UC Berkeley es una organización de voluntarios dirigida por estudiantes que tiene como objetivo proporcionar tutoría de música individual gratuita en colaboración con la Junta Unificada de Escuelas de Berkeley.
District. We have expanded our piano and vocal tutoring to other instruments as well; however, this is dependent on tutor availability. Additionally, all students in the private tutoring program will have the opportunity to participate at an end-of-the semester recital.

We are excited to begin the Fall 2022 application process for private tutoring! Please remember that if you have signed up with us before, you will need to fill out the application form each semester you are interested in being matched with a tutor. Lessons will be offered either virtually or in-person depending on which format both students and tutors feel to be most comfortable, effective, and safest.

Private music tutoring applications are due Wednesday, September 21st, at 11:59pm PST. Here is the link to the form: https://forms.gle/VDHfyb34MJVM6NWa8

Please keep in mind that in previous semesters, we often have more interested students than we have volunteer tutors available, so it is not guaranteed that your student will be matched with a private tutor upon filling out the application. However, we do our best to prioritize reapplicants and students who qualify for their school’s free or reduced lunch program. We will notify all parents of their child’s placement status.

¡Estamos entusiasmados de comenzar el proceso de solicitud de tutoría privada en el otoño de 2022! Recuerde que si se ha registrado con nosotros antes, deberá completar el formulario de solicitud cada semestre que le interese que le combine con un tutor. Las lecciones se ofrecerán de forma virtual o en persona, dependiendo del formato en que tanto los estudiantes como los tutores se sientan más cómodos, efectivos y seguros.

Las solicitudes de tutoría musical privada vencen el miércoles 21 de septiembre a las 11:59 pm PST. Aquí está el enlace al formulario: https://forms.gle/VDHfyb34MJVM6NWa8

Tenga en cuenta que en semestres anteriores, a menudo tenemos más estudiantes interesados que tutores voluntarios disponibles, por lo que no se garantiza que su estudiante sea emparejado con un tutor privado al completar la solicitud. Sin embargo, hacemos todo lo posible para priorizar a los reaplicantes y estudiantes que califican para el programa de almuerzo gratuito o reducido de su escuela. Notificaremos a todos los padres del estado de colocación de sus hijos.

September 14, 21, 28 | October 5, 12, 19, 26 | November 2, 9, 16, 30 | December 7
(No Class 11/23)
$400.00
Grades 3rd - 8th
Register Today!

We offer young writers an opportunity to express their voice through creative writing and to enhance their academic writing. We’ll explore a variety of writing genres – from short story and personal memoir to fun informational writing, and from reading response, to poetry writing. We’ll even have some fun with art journaling!

This is your chance to unwind and explore writing! We’ll warm up as we begin each session with an inspirational art image to prompt a descriptive response. Students can expect a balance of writing time individually, in a small group, and some guidance and ideas shared among the whole group. We’ll also provide time for you to share your work and receive valuable, constructive feedback from your peers. We’ll also have a chance to showcase work on the club website. Come join us for this unique opportunity.
Dear Parents & Teachers,  
The Society of Women Engineers (SWE) at UC Berkeley invites you to register your future scientists and engineers for this coming SWE Science event on Saturday, September 3rd!

What: SWE Science is a monthly, hands-on engineering experience. During these Saturday morning sessions, students will engage in collaborative engineering challenges, designed to allow students to not only practice foundational STEM principles but also to develop their intellectual curiosities and creativity in an interactive, but most importantly, fun setting! Our team of Berkeley engineering students will help these future engineers learn about a variety of STEM careers, including those lesser-known ones in order to cater to every student's particular interests.

Who: SWE Science is divided into two sections: SWE Science Saturdays for 4th-5th and SWE Science Scholars for 6th-8th grade students. We welcome students of all genders and backgrounds to attend. This month, elementary and middle school students will be grouped together.

When: This month's SWE Science event will take place on Saturday, September 3rd from 10:00 AM – 12:30 PM on Berkeley's campus. Can't make it to our September event? Please invite any interested parents and teachers to sign up for our mailing list to stay updated: https://tinyurl.com/sweoutreachlist

How do I sign up? Just fill out this google form! (https://forms.gle/FeDAK95xqBDGjSim7)

Confirmation emails with additional logistics will be sent out after Saturday, August 27th and will indicate if your student was accepted to the program or the wait list. We encourage you to sign up early, as space is very limited this month. If open seats remain, registration will continue on a rolling basis.

Thank you for your and your child's interest in STEM.
and we look forward to seeing you soon! Please do not hesitate to reach out with any questions or concerns.

Best,
Sharicka Zutshi & Aisha Gupta
