Go Tigers!

Berkeley Unified School District

Dear Families,

It is so wonderful to be able to breathe clean air. It is something I know that all of us will never take for granted. We are halfway through our first quarter of school and within the next two weeks you should be receiving a progress report in the mail. We are proud of our students, our staff and the work that they have been doing.

On Wednesdays we have something called Wednesday huddles. If your child is invited it is because the teacher has important work for them to focus on. Please help us by making sure that your child goes to huddle if they are invited. We hope that you have a wonderful weekend and we look forward to the last half of this quarter.

Sincerely,
Paco Furlan
Principal

Queridas familias,

Es maravilloso respirar aire puro. Todos estamos muy feliz. Estamos a la mitad de nuestro primer trimestre de clases y dentro de las próximas dos semanas debería recibir un informe de progreso por correo. Estamos orgullosos de nuestros estudiantes, nuestro personal y el trabajo que han estado haciendo.

Los miércoles tenemos algo llamado miércoles huddles. Si su hijo está invitado es porque el maestro tiene un trabajo importante en el que concentrarse. Ayúdenos asegurándose de que su hijo se junte si está invitado. Esperamos que tenga un fin de semana maravilloso y esperamos la última mitad de este trimestre.

Sinceramente,
Paco Furlan
Principal
