Berkeley Unified School District

10/2/20

Dear Parents and guardians,

Here we are about to start week 8 in distance learning here at Longfellow Middle School.

It is amazing to think about where we were at the start of the year and where we are now.

I am really proud of our kids and of our teachers.

Quarter Ends October 9th

The quarter will end on Friday, October 9th and you should be receiving final grades in SBP and HOW by October 20th in the mail.

Materials Pick up October 14, 15, 16

We will be having another materials pickup for students to start the new quarter. This will be the schedule from 2-6 pm for pick up on Derby street.

10/14-6th grade

10/15-7th grade

10/16 8th grade

Alameda County Office of Education reopening school plan: [ACOE's comprehensive reopening guidance](#)

The superintendent will be working with the school board and our unions to come up with a plan around the recommendations for the reopening of school. At this point we have very little information and are unsure of when and if we will be able to reopen our Berkeley schools. I will host a question and answer on October 15th at 6:30 pm at our ZOOM PTA meeting for interested parents. [PTA ZOOM Meeting Link 10.15](#)

PTA involvement

If you want to get information from our PTA go to our website
